

AMAZING GRACE

C//|G7//|C//|//

[C] Amazing grace, how [F] sweet the [C] sound
That saved a [Am] wretch like [G7] me.
I [C] once was lost but [F] now am [C] found
Was blind but [G7] now I [C//|//] see.

[C] 'Twas grace that taught my [F] heart to [C] fear
And grace my [Am] fears rel-[G7]-ieved.
How [C] precious did that [F] grace app-[C]-ear
The hour I [G7] first bel-[C//|//]-ieved.

[C] Through many dangers, [F] toils and [C] snares,
I have al-[Am]-ready [G7] come;
'tis [C] grace hath brought me [F] safe thus [C] far
And grace will [G7]lead me [C//|//] home.

[C] When we've been there ten [F] thousand [C] years,
Bright shining [Am] as the [G7] sun,
We've [C] no less days to [F] sing God's [C] praise
Than when we [G7] first be-[C//|//]-gun.
