

And I will always love you

Dolly Parton

C///|G///|C///|G///|Em///|C///|D///|C///|

If I [G] should stay
I would [Em] only be [D] in your [C] way [D]
So I'll [G] go [D] but I [G] know
I'll [Em] think of you each [D] step of the [C] way [D]

And [G] I [Em] will [C] al-[D]-ways [G] love you [Em] [C]
Will [D] always [G] love you [C] [G]

Bitter [G] sweet [D] memor-[G]-ies
That's all [Em] I am [G] taking with [C] me [D]
Good-[G]-bye [D] please don't [G] cry
We both [Em] know that I'm [D] not what you [C] need [D]

And [G] I [Em] will [C] al-[D]-ways [G] love you [Em] [C]
Will [D] always [G] love you [C] [G]

I hope [G] life [D] treats you [G] kind
And I [Em] hope that you [D] have all
that you ever [C] dreamed [D] of
And I wish you [G] joy [D] and [G] happiness
But [Em] above all [D] of this I wish [C] you love [D]

And [G] I [Em] will [C] al-[D]-ways [G] love you [Em] [C]
Will [D] always love [G] you [Em] [C]
I will [D] always love [G] you [C] [G]
