## Any Dream Will Do

D7///|G///|/

[G] I closed my [D7] eyes (I closed my eyes)
Drew back the [G] curtain (aah) [C]
To see for [G] certain (aah) [D7] what I thought I [G] knew
[D7] Far far [G] away (Far far away)
[D7] someone was [G] weeping (aah) [C]
But the world was [G] sleeping (aah)
[D7] Any dream will [G] do [G7]

[G] I wore my [D7] coat (I wore my coat)
with golden [G] lining (aah) [C]
Bright colours [G] shining (aah) [D7] wonderful and [G] new
[D7] And in the [G] East (And in the East)
[D7] the dawn was [G] breaking (aah) [C]
And the world was [G] waking (aah)
[D7] Any dream will [G] do [G7]

A [C] crash of drums, a flash of light
My [A] golden coat flew out of sight
The [G] colours faded [C] into darkness
I was [D7] left alone

[G] May I re-[D7]-turn (may I return)
to the be-[G]-ginning (aah) [C]
The light is [G] dimming (aah) [D7] and the dream is [G] too
[D7] The world and [G] I (the world and I)
[D7] we are still [G] waiting (aah) [C]
Still hesi-[G]-tating (aah) [D7] Any dream will [G] do

[C] Give me my [G] coloured coat, my a-[C]-mazing coloured [G] coat
[C] Give me my [G] coloured coat, my a-[C]-mazing coloured [G] coat
