

Black hills of Dakota (Jill's)

C/F/|C///

[C] Take me [F] back to the [C] black [F] hills,
The [C] black hills [F] of Da-[Dm]-kota,
To the [G7] beautiful Indian country
that I [C/] love. [F/C///]

[C] Lost my [F] heart in the [C] black [F] hills,
The [C] black hills [F] of Da-[Dm]-kota.
Where the [G7] pines are so high
That they kiss the sky a-[C/]bove [G7/C]
And [C7] when I [F] get that lonesome [Fm] feeling
And I'm [C] miles a-[E7]-way from [Am] home
[D7] I hear the voice of the mystic mountains
[G] Calling [Dm] me back [G] home!

So [C] take me [F] back to the [C] black [F] hills
The [C] black hills [F] of Da-[Dm]-kota
To the [G7] beautiful Indian country
that I [C] love. [F C]

And [C7] when I [F] get that lonesome [Fm] feeling
And I'm [C] miles a-[E7]-way from [Am] home
[D7] I hear the voice of the mystic mountains
[G] Calling [Dm] me back [G] home!

So [C] take me [F] back to the [C] black [F] hills
The [C] black hills [F] of Da-[Dm]-kota
To the [G7] beautiful Indian country
that I [C] love. [F/C//]

To the [G7] beautiful Indian country
that I [C] love! [F/C]
