

## Blanket on the ground

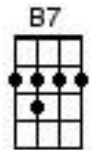

[G///]

[G] Come and look out through [G] the window  
That big old moon is [A] shinin' down  
Tell me now [D] don't it remind you  
Of the blanket [G] on the ground  
[G] Remember back when love [G] first found us  
We'd go walkin' [A] out of town  
And we'd love [D] beneath the moonlight  
On the blanket [G] on the ground

[G] I'll [G7] get the blan-[C]-ket from bedroom  
And we'll go walkin' [G] once again  
To that spot down [D] by the river  
Where our sweet [G] love [G7] first began  
[G7] Just because [C] we are married  
Don't mean we [G] can't still fool around  
So lets walk [D] beneath the moonlight  
And lay [D7] the blanket [G] on the ground

[Key change]

[A] Oh remember how [A] excited we used to get [B7] when love was young  
that old moon [E] was our best buddy  
We couldn't wait [A] for night to come  
Now you know you still [A] excite me  
I know you love [B7] me like I am  
Just once more I [E] wished you'd love me  
On the blanket [A] on the ground

[A] I'll get the [A7] blanket [D] from bedroom  
And we'll go walkin' [A] once again  
To that spot [E] down by the river  
Where our sweet [A] love first [A7] began  
[A7] Just because [D] we are married  
Don't mean we [A] can't still fool around  
So lets walk [E] beneath the moonlight  
And lay [E7] the blanket [E] on the ground  
And lay [E7] the blanket [E] on the ground  
[Outro] A/D/|E/E7/|A
