

CHORD BOXES

These are chord boxes - a way of showing how to play a chord on a ukulele. These are three chords to start with

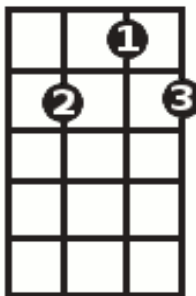

The horizontal lines represent the frets and the vertical lines represent the strings. The black rings represent where you put the fingers of your left hand, and the numbers inside the rings represent the fingers you are advised to use to make it comfortable for you.

1. Index finger
2. Middle finger
3. Ring finger
