

FROM A JACK TO A KING

G///|D7///|G///|/

[D7] From a Jack to a [G] King
From loneliness to a [D7] wedding ring
I played an ace and I won a Queen
And walked away with your [G] heart. [D7]

From a Jack to a [G] King
With no regrets, I stacked the [D7] cards last night
And Lady Luck played her hand just right
You made me King of your [G] heart.

[G7] For just a [C] little while
I thought that I might [G] lose the game
Then just in [A7] time I saw
The twinkle in your [D7] eyes.

[D7] From a Jack to a [G] King
From loneliness to a [D7] wedding ring
I played an ace and I won a Queen
And walked away with your [G] heart.

For just a [C] little while
I thought that I might [G] lose the game
Then just in [A7] time I saw
The twinkle in your [D7] eyes

From a Jack to a [G] King
From loneliness to a [D7] wedding ring
I played an ace and I won a Queen
You made me King of your [G///] heart [D7]
You made me King of your [G///] heart [G D7 G]
