

## I WANT TO BE HAPPY

C///|G7///|C///

[C] We want to be happy

[G7] But we won't be happy

Till we make you happy [C] too [G7]

[C] Life's really worth living,

[G7] When we are mirth giving

Why can't we give some to [C] you?

[C7] When skies are grey and you [F] say you  
are blue,

[C] We'll send the [A7]sun smiling [D7]  
through. [G7]

[C] We want to be happy,

[G7] But we won't be happy,

Till we make you happy [C] too.
