

I WANT TO BE HAPPY

G///|D7///|G///|/////|

[G] We want to be happy

[D7] But we won't be happy

Till we make you happy [G] too [D7]

[G] Life's really worth living,

[D7] When we are mirth giving

Why can't we give some to [G] you?

[G7] When skies are grey

and you [C] say you are blue,

[G] We'll send the [E7] sun smiling [A7]

through. [D7]

[G] We want to be happy,

[D7] But we won't be happy,

Till we make you happy [G] too.
