

I'm Yours by Jason Mraz

Well, [C] you done done me and you bet I felt it
I [G] tried to be chill but you're so hot that I melted
I [Am] fell right through the cracks, and I'm [F] trying to
get back

Before the [C] cool done run out I'll be giving it my best
test

And [G] nothings gonna stop me but divine intervention
I [Am] it's again my turn to [F] some or learn some
But [C] I won't hesitate [G] no more
No more, it [Am] cannot wait I'm [F] yours

[Interlude] C///|G///|Am///|F///

[C] Well open up your mind and see like me
[G] Open up your plans and damn you're free
[Am] look into your heart and you'll find [F] loved, loved,
loved, loved

[C] Listen to the music of the moment people dance and sing
[G] We are just one big family

[Am] It's your god forsaken right to be be
[F] loved, loved' loved, loved [D7]

[C] So, I won't hesitate [G] no more
No more, it [Am] cannot wait I'm [F] yours

[C] There's no need to complicate [G] our time is short
[Am] this is our fate, [F] I'm yours

[Bridge]

-d-do do you but do you, d-d-do but you want to come one
Scooh one over closer dear and I will nibble your ear
Bap bap bao woooooo h oho ooooh

[C] I've been spending way too long checking my tongue in
the mirror

[G] And bending over backwards just to try to make it
clearer

[Am] My breath fogged up the glass

[F] And so I drew a new face and laughed

[C] I guess what I'm saying's there isn't no better reason

[G] To rid yourself of vanity and just go with the seasons

[Am] It's what we aim to do

[F] Our name is our virtue

But [C] I won't hesitate [G] no more
No more, it [Am] cannot wait I'm [F] yours

Well; [C] open up your mind and see like me
[G] Open up your plans and damn you're free
[Am] Look into your heart and you'll find,
[G] That the sky is yours

So please don't, don't please don't
- There's no need to complicated -
Cause our time is short
This is, this is, this is our fate
I'm yours
