

In my little snapshot album George Formby

Now I'm a young inventor a [G7] chap with good [C] ideas [G7]
I've built myself a [C] camera it [D7] took me years and [G7] years
It's a [C] wonderful invention
with [F] special [G7] x-ray [Am] tricks
It can [G]take a picture in the dark
and can [D7] even see through [G] bricks [G7]
I [E7] bought myself an [Am] album
and [E7] filled it up with [Am] snaps
And I've [G] got some lovely [G7] pictures of the [D7] local [A7]
girls [D7] and [G7] chaps [F G7]

Now [C] I've got a picture of the [G7] girl next door
in my little [Dm] snap [G7] shot [C] album
And [C] I've never had a better [G7] snap before
in my little [Dm] snap [G7] shot [C] album
The [Am] night was dark and the [Em] hour was late,
she was [F] kissing her [G7] boy by the [C] gar-[G7]-den [C] gate
wouldn't [A7] she [Dm] love [C7] to [F] see [E7] page [Am] eight
in my little [G7] snapshot [C] album

Now [C] I've got a picture of my [G7] grandad
in my little [Dm] snap [G7] shot [C] album
he's over eighty but a [G7] real bad lad
in my little [Dm] snap [G7] shot [C] album
[Am] although he's an [Em] old antique
he [F] thinks he's [G7] still the [C] vill-[G7]-age [C] Sheik
[Dm] I've got [A7] him [Dm] danc-[C7]-ing [F] cheek [E7] to [Am]
cheek in my little [G7] snapshot [C] album

Now [C] I've got a picture of the [G7] vicar's wife
in my little [Dm] snap [G7] shot [C] album
Chasing the curate with [G7] a carving knife
in my little [Dm] snap [G7] shot [C] album
Now [Am] what he did was [Em] all in fun
but it's [F] not the [G7] kind of [C] thing [G7] that's [C] done
I can [Dm] see [A7] he [D7] pinched [C7] her
[F] hot [E7] cross [Am] bun
[D7] in my little [G7] snapshot [C] album
