Chosen by David

A world of our own

Annie's song (C)

Blowin' in the wind

Bring me sunshine

Country roads

Daydream believer

Dirty ole town

Fields of gold

Help

Mr tambourine man

BREAK

Here comes the sun

Only you (The Platters)

The times they are a changing

The lion sleeps tonight

The fields of Athenry

What a wonderful world

All around my hat

Where have all the flowers gone

You'll never walk alone

Swing low sweet chariot
