[G] Only the lonely know the way I feel [Am] tonight
[D7]Only the lonely know this [C] feeling ain't [G] right
There goes my baby therre goes my [C] heart
They've gone forever [A7] so far ap-[D7]-art
But only the [G] lonely know [C] why I [D7] cry only the [G] lonely

Only the lonely know the heartaches I've been [Am] through
[D7] Only the lonely know [C] I cry and cry for [G] you
Maybe tomorrow a new [C] romance
No more sorrow but that's a [A7] chance
