

South of the border

G///|D7///|G///

[G] Ay ay ay [D7] ay ay ay ay [G] ay

[G] Ay ay ay [D7] ay ay ay ay [G] ay

South of the border down [D7] Mexico [G] way

That's where I fell in love

When the stars above came [D7] out to play

And now as they [G] wander their thought ever [C] stray

South of the [G] border down [D7] Mexico [G] way

She was a picture in [D7] old Spanish [G] lace

Just for a tender while he kissed the smile [D7] upon her face

For it was [G] fiesta and they were so [C] gay

South of the [G] border down [D7] Mexico [G] way

Then she sighed as she whispered [Am] manana

Never [D7] dreaming that they were [G] parting

And he lied as he [E7] whispered [Am] manana

For that [G] tomorrow [D7] never [G] came

South of the border he [D7] rode back one [G] day

There in a veil of white candlelight she [D7] knelt to pray

The mission bells [G] told him that he mustn't [C] stay

South of the [G] border down [D7] Mexico [G] way

Ay ay ay [D7] ay, ay ay ay [G] ay

Ay ay ay [D7] ay, ay ay ay [G] ay
