[C] There is a rose in Spanish Harlem

A red rose up in Spanish Harlem

[F] It is a special one, it's never seen the sun

It only comes out when the moon is on the rum

And the stars are [C] gleaming

[G7] It's growing in the street right up through the concrete

But soft and sweet and [C] dreamin'

[C] There is a rose in Spanish Harlem

A red rose up in Spanish Harlem

[F] With eyes as black as coal that I look down in my soul

And starts a fire there and then I lose control

I have to beg your [C] pardon

[G7] I'm going to pick that rose

and watch her as she grows in my [C] garden
