

Take it Easy [Eagles]

C///|F///|G///|C///|F///|G///|G///

Well I'm [C] running down the road tryin' to loosen my load
I've got seven women [G/] on my [F] mind
[C] Four that wanna own me, [G] two that wanna stone me
[F] One says she's a friend of [C] mine

Take it [Am] easy, take it [F] ea-[C]-sy
Don't let the [Dm] sound of your own [F] wheels
drive you [Am] crazy [Am]
Lighten [F] up while you still [C] can
Don't even [F] try to under-[C]-stand
Just find a [Dm] place to make your [F] stand and take it [C] easy [C]

Well I'm [C] standin' on a corner in Winslow, Arizona
And such a fine [G] sight to [F] see
It's a [C] girl my Lord, in a [G] flatbed Ford
Slowin' [F/] down to take a look at [C] me
Come on [Am] ba-[G]-by, don't say [F] may-[C]-be
I gotta [Dm] know if your sweet [F] love is gonna [Am] save me [Am]
We may [F] lose and we may [C] win
Though we will [F] never be here [C] again
So open [Dm] up I'm climbin' [F] in, so take it [C] easy.[C]

Well I'm [C] running down the road tryin' to loosen my load
I got a world of trouble [G/] on my [F] mind
[C] Lookin' for a lover who [G] won't blow my cover
She's [F] so hard to find

Take it [Am] easy, take it [F] ea-[C]-sy
Don't let the [Dm] sound of your own [F] wheels

drive you [Am] crazy [Am]

Come on [F] ba-[C]-by, don't say [F] may-[C]-be

I gotta [Dm] know if your sweet [F] love is gonna [C] save me [C]

[F] Oooh, Oooh,[C] Oooh, Oooh, [F] Oooh, Oooh,[C] Oooh, Oooh [C]
