Thank you for the Music

Dm/G7/|C///

I'm [C] nothing special, [Cdim] in fact I'm [Dm7] a bit of a [G7] bore
If [F] I tell a joke, you've [A7] probably heard it [Dm7] before [G7]
[C] But I have a talent, a [G] wonderful thing
'Cause [C] everyone [Em] listens when [F] I start to [Fm] sing
I'm so [Am] grateful and proud
All [F] I want is to sing it out loud. [G7]

So I say [C] Thank you for the [Dm] music,
the [G7] songs I'm [C] singing
[Am] Thanks [Am7] for all the [D] joy they're [G7] bringing
[C] Who can live [Dm] without it,
[E7] I ask in all [Am] honesty
What would life [Fm] be?
Without a [C] song or a [Gm] dance what are [A7] we?
So I say [Dm] thank you for the music
For [G7] giving it to [C] me.

[C] Mother says I was a [Cdim] dancer before I [G7] could [C] walk
She [F] says I began to [A7] sing long before I could [Dm] talk
And [C] I've often wondered, how [G] did it all start?
Who [C] found out that [C7] nothing can [F] capture a [Fm] heart
Like a [Am] melody can?
Well, who-[Dm]-ever it was, [Dm7] I'm a [G7] fan

So I say [C] Thank you for the [Dm] music,
the [G7] songs I'm [C] singing.
[Am] Thanks [Am7] for all the [D] joy they're [G7] bringing
[C] Who can live [Dm] without it,
[E7] I ask in all [Am] honesty
What would life [Fm] be?
Without a [C] song or a [Gm] dance what are [A7] we?
So I say [Dm] thank you for the music
For [G7] giving it to [C] me. [C G7 C]
