

## THE THREE BELLS

G7//C

[C] There's a village hidden deep in the valley,  
[F] Among the [C] pine trees [F] half [C] forlorn  
And there on a sunny morning  
Little [F] Jimmy Brown [G7] was [C] born.  
Bong bong bong

[F] All the chapel bells were ringing  
In the little valley [C] town  
And the song that they were singing  
[C7] Was for baby Jimmy [F] Brown  
Then the little congregation  
[A7] Prayed for guidance from [Dm] above  
[Gm] Lead us not into tempt-[F]-ation  
Bless this hour of medi-[C7]-tation  
Guide him with eternal [F] love.

[C] There's a village hidden deep in the valley  
[F] Beneath the [C] mountains [F] high [C] above  
And there twenty years thereafter  
Jimmy [F] was to [G] meet his [C] love.  
Bong bong bong

[F] All the chapel bells were ringing  
'twas a great day in his [C] life  
Cause the songs that they were singing  
[C7] Was for Jimmy and his [F] wife.  
Then the little congregation  
[A7] Prayed for guidance from [dM] above  
[Gm] Lead us not into tempt-[F]-ation  
Bless this hour of medi-[C7]-tation  
Guide him with eternal [F] love.

[C] From the village hidden deep in the valley,  
One [F] rainy [C] morning [F] dark and [C] grey  
A soul winged it's way to heaven  
Jimmy [F] Brown had [G] passed [C] away.  
Bong bong bong

[F] Just a lonely bell was ringing  
In the little valley [C] town  
And the song that they were singing  
[C7] was for good old Jimmy [F] Brown  
[F#] And the little congregation  
[A7#] Prayed for guidance from [Dm] above  
[Gm] Lead us not into tempt-[F]-ation  
May his soul find the sal-[C7]-vation  
[C7] Of Thy great eternal [F] love.
