

We want to be happy (in C)

C///|G7///|C///

[C] We want to be happy
[G7] But we won't be happy
Till we make you happy [C] too [G7]
[C] Life's really worth living,
[G7] When we are mirth giving
Why can't we give some to [C] you?

[C7] When skies are grey and you [F] say you
are blue,
[C] We'll send the [A7]sun smiling [D7]
through. [G7]
[C] We want to be happy,
[G7] But we won't be happy,
Till we make you happy [C] too.
